Maths Home Learning Y1

Learn 5 addition facts, play a maths game and choose one other thing to work on each day. The video links are there to help you understand the activities.

Addition facts to 20 Choose 5 addition facts from the grid on the next page to practise each day. Start by practising the green and blue facts first. Spend 5 minutes each day practising your number bonds to 10 and to 20. Link to a website for practising your numberbonds: https://www.topmarks.co.uk/maths-games/hit-the-button	**Maths Games** Choose a maths game to play each day. Have a go at inventing your own maths game. Link to a blog on maths games: https://matr.org/blog/fun-maths-games-activities-for-kids/
One more and one less up to 100 Get some raisins, grapes, cereal pieces. Place some on a plate. If the grown up with you says 'one more', add one more and say what number you have now. If they say 'one less', eat one and count how many you have left. Ask a grown up to give you some toys. Count how many you have. Can you put out another group of toys so you have one more and then one less? Build a tower with bricks. Can you build another tower with one more brick? Can you build another with one less brick? https://www.topmarks.co.uk/learning-to-count/chopper-squad	**Addition to 20** Make your own tens frames or print some off and use counters, or anything you can find to use instead of counters (raisins, grapes, cereal pieces etc.....). Choose 2 numbers 1-digit numbers to add together, e.g. 7 + 5. On your tens frame set out 7 on one thing, e.g. raisins and then add another 5 of something else e.g. cereal pieces. Have you filled a tens frame? How many are in the next tens frame? What is your answer? Try this adding different numbers. You can also draw them out. Link to video on using tens frames to add (2nd activity on video) https://www.youtube.com/watch?v=-v46SllY4ho&list=PLWIJ2KbiNEypnO-un0c9IthOv_RGjtEvG&index
Number bonds to 10 Practise your number bonds to 10 by playing the 'Total of 10' card game Can you think of any new rules for playing this game? Link to the 'Total of 10' card game: https://www.youtube.com/watch?v=SD028NO-ZGc&list=PLWIJ2KbiNEyoBDc5yLJ4PaiaY3o5E5xCB&index=5&t	**Subtraction to 20** Use your tens frames and counters from the addition activity to practise subtracting. Make the first number using the tens frame and subtract the number of counters/ pieces to work out how many you now have. Try it with different numbers. Watch the 3rd activity on the video: https://www.youtube.com/watch?v=-v46SllY4ho&list=PLWIJ2KbiNEypnO-un0c9IthOv_RGjtEvG&index
Read and write numbers from 1-20 in numbers and in words Make 1-20 number cards and one to twenty word cards out of paper. Have a go at matching up the numbers and words. Play the memory game, by turning all your cards over and taking it in turns to pick 2 cards. If the number and word matches, you get to keep both cards. The winner is the person with the most pairs at the end.	**Count in multiples of 2, 5 and 10** Use raisins, grapes, cereal pieces etc… to help you practise counting in multiples of 2, 5 and 10. Group into 2s to practise counting in 2s, group into 5 to practise counting in 5s and into 10 to practise counting in 10s. Once you've done it with the objects, draw out circles to help you practise counting in 2s, 5s and 10s. https://www.youtube.com/watch?v=q_yUC1NCFkE
