

Y5 HOMEWORK MENU

How does the universe work?

<p>I enjoy reading, writing and speaking.</p>	<p>Write a letter to NASA convincing them to let you join the space programme!</p>	<p>Write a newspaper article about Iron Man arriving in your town. Remember to set it out, so that it looks like a newspaper!</p>	<p>Write a series (2 or more) of diary entries from the perspective of an astronaut.</p> 	<p>Write a story about the day that an asteroid landed in the middle of your town. How imaginative can you be?</p>
<p>I enjoy Maths.</p>	<p>Write a guide to fractions. Don't forget to include all the different areas we have covered!</p>	<p>Design a set menu for a meal in space. You will need to research what astronauts eat and then provide costs for the food you want to use.</p>	<p>The Iron Man is taller than a house. How tall is this? What units of measurement might be sensible for measuring things taller than a house? Can you create a scaled drawing of him?</p>	<p>Create a rap for a times table of your choice.</p>
<p>I enjoy being creative.</p>	<p>Create a sculpture of Iron Man.</p> 	<p>Find a creative way of presenting a diorama of the planets.</p> 	<p>Draw or paint a picture of a scene that an astronaut might see from their spacewalk.</p> 	<p>Create a new spacesuit for the astronauts at NASA. Make sure you label all the different parts with the materials that you would use. Be as creative as possible!</p>
<p>I enjoy ICT</p>	<p>Write a blog about the adventures of Iron Man.</p>	<p>Write an instructional code for drawing one of the characters in Iron Man.</p>	<p>Use technology to film a news report about man landing on the moon.</p>	<p>Find a way of using ICT to show the different phases of the moon.</p>
