

Dear Parent/Carer,

This letter is to update you on the project that runs jointly between our school and South Yorkshire Police.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced any domestic abuse.

Operation Encompass ensures that a member of the school staff, known as a Key Adult, is trained to allow them to liaise with the police.

Whilst schools are closed in the current situation, our school will continue to liaise with the police. The information will be used to inform which children and families we contact that day so that school is able to make provision for possible difficulties experienced by children, or their families, who have experienced a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

Signed

Sarah Bywater

Head Teacher
