

### **Free Breakfast in School**

National School Breakfast programme

I am delighted to inform you that Hucklow has successfully signed up to receive free healthy breakfasts for our children as part of the 'Covid Response' effort. The National School Breakfast programme, which is being supported by the charities Family Action and Magic Breakfast means all our Hucklow children can choose to enjoy a healthy breakfast when they enter school each morning.

Breakfast will be part of their morning social time in the classroom amongst their friends between 8.30am and 9.00am. We will be serving warm bagels with a healthy spread.

The benefits of a healthy breakfast include our children being settled and ready to learn at the start of each day.

In the unfortunate event of a child being sent home to isolate due to possible exposure to covid type symptoms if the parent wishes the school will provide a 'Breakfast Bag' which will include a week's supply of bagels and cereal for your child to enjoy. Again, any breakfast is optional but I do think that eating together in the mornings has many social and health benefits for the children.

The 'Hucklow Breakfasts' will start no later than Monday 5<sup>th</sup> October. We are of course working hard to try and get this programme as soon as we can possibly can.

Mrs L Duckworth  
Head of School

### **School website**

Please continue to check our school website you will find all our latest news and information to help you and your child at home.

Links to learning in the home are frequently updated so you can always find something new.

## Yummy Breakfast

Time to Say 'Goodbye'

### **Exciting Times Ahead**

### **Our New School Build**

As you will remember, I informed you before the summer break that Hucklow Primary had received the fantastic news that we had finally been successful in our bid for new classrooms. Many of you will recall the horrors of the leaky roof and awful heating in the winter months along with many fond memories of time spent in the terrapin I am sure. But, our success means we can finally demolish the old and very tired 'Terrapin' block

The money we receive from this bid will allow us to build a brand new section of school. This build will include four brand new classrooms, two group rooms and a new staffroom and for the very first time children will have access to a new **flat** grass playing area!

Building work will begin in the October half term and take approximately 26 weeks to complete. Due to the layout of our grounds the complexity and size of this project will mean we have to make a number of adjustments in school.

I will write to you again before work begins to explain how as a whole school community we will need to work together around the doubtless disruptions a build of this size will entail and how we will ensure everyone is safe while still adhering to the Covid guidelines in school.

Mrs L Duckworth

Hucklow Primary School is part of Cascade Multi Academy Trust, an exempt charity regulated by the Secretary of State for Education. Cascade MAT is a private company limited by guarantee, registered in England and Wales (company number 9913676), whose registered office is at Beck Primary School, Beck Road, Sheffield, S5 0GG.
